Describing a Region

Directions: Complete independently. Go to the Wikipedia page for your assigned region. You should be able to find most of your information there. For any remaining questions, look up maps of your region, or do some more research. Full sentences not needed.

| Region | Circle One: West Northeast Southwest Southeast |
|---|--|
| Location | |
| Climate | |
| Landforms | |
| Bodies of Water | |
| Vegetation | |
| Natural Resources | |
| Top 3 Major Cities & Their Populations | |
| Important Economic Activities | |

On the next page, write at least 3 sentences about the similarities and differences this region has with the Midwest. Use this sheet of info, and what you already know about the Midwest (we do live here, after all!). No additional research should be needed for this part.
